

2014 China International Paper Technology Exhibition and Conference (CIPTE) Will Be Held in Shanghai

In order to promote the development of China's paper industry, display the technical achievements of paper industry, and provide a communication platform for the enterprises of paper and relative industries, China Paper Association, China Technical Association of Paper Industry and China National Pulp & Paper Research Institute will jointly host 2014 China International Paper Technology Exhibition and Conference in Shanghai World Expo Exhibition & Convention Center, Shanghai, China on September 3-5, 2014.

The enlistment work of 2013 CIPTE held by China Paper Association, China Technical Association of Paper Industry and China National Pulp & Paper Research Institute, had been processing smoothly. The exhibition area of 2013 CIPTE is 13,000 sqm, and more than 200 exhibitors from more than 20 countries and regions, such as Metso, Voith, Siemens, Honeywell and other leading enterprises in paper

industry had attended the exhibition. In addition, Finnish pavilion and American Pavilion also had organized exhibitors participating.

During 2014 CIPTE, China Technical Association of Paper Industry will organize 2014 Paper Technical Conference. Meanwhile, thematic symposium, as well as some relative technical seminars will be held at the same time. The Exhibition will be a great event of paper industry. The series of activities will make the exhibition become a real professional event, increase the amount of professional visitors, provide the opportunity for the communication and cooperation between the domestic paper enterprises and exhibitors. The exhibition certainly has good return to the exhibitors. Meanwhile, the exhibition will build a platform for paper enterprises and suppliers of equipment, raw materials, chemicals, auto-control etc, promote the development of paper industry. ▀
